

Hands On 3 Day Workshop

**APRIL 20-22, 2016
SPRING VALLEY, MN (SATA HQ)**

**CUSTOM PAINT WORKSHOP - 3 DAY COURSE
w/ JIM HETZLER**

This 3 day course focuses on Shimrin2 Paint, Kandies, all Fx's, Karrier Bases, KD primers and USC01 Show Clear. This hands on course answers all the questions pertaining to House of Kolor paint. In the 3 days you will learn priming, bases, intercoat, pearls, kandies, artwork, clearcoat and final buffing. This class is geared for all levels of painters. Your completed biker mailbox is yours to take home along with a certificate of completion and much more. Added bonus is you will be using SATA spray guns!

This class is geared for the beginner thru the ultra Pro.
